## THE FACTS

### THE BIG QUESTIONS!

1. Do you want a more even skin tone?
2. Are dark spots and sun damage making you look older than you feel?
3. Would you like a brighter, more even complexion?

If the answers are

**YES...**

then this resurfacer could be the answer!

**MANGOBRITE RESURFACER**

 **DERMAQUEST**

### WHY CHOOSE SK:N

- Each one of sk:n's clinics has a Medical Director to ensure every single treatment and product complies with our consultant approved medical protocols, giving the highest standards of quality and safety
- sk:n works with more Consultant Dermatologists than any other chain of clinics, to offer free rejuvenation assessments and carry out bespoke treatment plans
- Our clinicians have in-depth and frequent training, contributing to our industry low incident rates
- sk:n offer a greater breadth of treatments than any other chain of skin clinics, from clinically proven products, to mid-priced, low 'downtime' treatments to minimally invasive, high-efficacy solutions
- sk:n has a network of clinics across the whole country, all operating to the same highest standards of care, with some clinics open 7 days a week, often until 9pm

### ONLY THE VERY BEST

We have the highest standards of safety and protocol, which is why we have chosen to offer you the MangoBrite Resurfacer treatment. DermaQuest products and formulations incorporate the highest industry standards, with quality control as the highest priority.

### HOW IT WORKS

This powerfully brightening resurfacing treatment effectively lifts pesky dark spots and evens skin tone. Formulated with Vitamin C, Orange Stem Cells and Mango Pulp, this hydrating resurfacer provides a basic level of exfoliation as it evens skin tone and helps repair all levels of hyperpigmentation. Kojic Acid diminishes dark spots by reducing melanin production for a thoroughly brightened complexion.

### BENEFITS

- Improves pigmentation concerns for a more even skin tone
- Gently retextures skin
- Restores hydration for parched skin
- Provides an instant glow

### SKIN PREPARATION

In order to support, enhance and protect your skin prior to and during your DermaQuest treatments, it is important to follow the instructions provided by your skincare professional, as this routine is designed to bring your skin to it's fullest potential.

We recommend the following products to get the best results from this treatment:

- Peptide Glyco Cleanser
- Essential B5 Hydrating Serum
- Stem Cell Rebuilding Complex
- SheerZinc SPF30

## YOUR QUESTIONS ANSWERED!

### WILL IT HURT?

When the MangoBrite Resurfacer is applied, your skin will start to feel warm. This will gradually increase for the first 4-6 minutes, before settling. Your skin will flush with a slight redness all over, this is a completely normal response.

### IS THERE ANY DOWNTIME?

Your skin may flush pink with a slight redness which could last for a couple of hours. After a couple of days your skin could start to feel dry due epidermal water loss. You may experience a light skin peeling, with flakes of skin rather than larger sheets of skin. Your skin will be back to normal 3-4 days after the treatment.

### HOW MANY TREATMENTS WILL I NEED?

We recommend a course of 6 treatments, with 1 treatment every 2 weeks.

### AFTERCARE

Our post treatment care is designed specifically to restore, enhance and protect your skin. Our regime optimises and maintains results, ensuring healthy skin at its fullest potential post-treatment. DermaQuest's professional resurfacers may cause increased sensitivity to the skin.

Please follow the advice provided from your skincare professional for the next 3-4 days post-treatment:

- Keep the skin hydrated and protected with an SPF30
- Avoid sweating, exercising, hot baths or showers, scrubbing, picking or rubbing, which could lead to scarring
- Avoid sun exposure
- Avoid the use of active skincare containing AHA, BHA, Retinol, Benzoyl Peroxide

### RECOMMENDED HOMECARE

- B3 Youth Serum
- C Infusion Cleanser
- Essential B5 Hydrating Serum
- EyeBrite
- Retinol Brightening Serum (Night-time only. Avoid the eyes and neck)
- SkinBrite Cream
- SkinBrite Serum
- Stem Cell Rebuilding Complex
- Youth Protection SPF30

### THE STAMP OF APPROVAL

sk:n are a founding member of Treatments You Can Trust (TYCT), a government and industry backed independent, self-regulatory scheme for the cosmetic treatments industry, TYCT are there to help you make an informed, safe choice when choosing your treatment.
